

Welcome to The Foundation Stage

September 2025

Our Timetable ...

- This half term, the children are spending their time settling in to school life, building relationships and making new friends.
- After the initial settling in period spent with their own classmates and class teachers, the children will have the opportunity to mix with other classes throughout the day in the octagon and the garden.
- They are already mixing outside.

Uniform

- The children all look very smart in their uniforms, and they are proud to be part of The John Hampden School community.
- Please ensure that EVERYTHING has your child's name in – including their **lunchbox** (on the outside).
- Please show them where it is named so they can check it.
- Please send in a coat EVERY DAY.
- Sensible shoes and no jewellery.
- P.E. Days are every **Thursday** with Premier Sports

Further information will also be sent home.

These books are initially wordless to help teach all children the necessary pre reading skills.

Library Book Club

- Each week the children will be given the opportunity to select a book during Library Club.
- They will be able to take this book home on a Friday to share with you to nurture their love of reading.
- The following Friday their 'Library Book Club' book will need to be returned, so that they can replace it with another book of interest.

Workshops

- Throughout the year we will invite you into school or provide online information or links for Phonics, Maths and Writing Workshops. Details will follow.
