Chair's report – Sophie Hughes is standing down from her role as Chair after 3 very successful years. She talked about the role of FJH – to raise funds for the school and to enhance the pupils' lives both within and outside school, and to bring parents together socially.

The role has been advertised on the school newsletter and we have only received one application from Kate Walker. She was therefore voted onto the committee with immediate effect.

Rebecca Sackman-Smith is willing to carry on being treasurer for one more year until summer 23 – voted on

The role of Secretary is available as Danielle Gaglione has stepped down –Robin Barrett has volunteered and was voted onto the committee

Sally Reffold volunteered to help with all social media efforts.

Sarah McNally asked to ensure we have a complete list of Class Reps to aid communication between teachers and parents – KW to oversee.

The **school's wishlist** for funds this year includes:

£8,000 on reading books due to further phonics changes

£2,000 on playground equipment

£2,000 on hall sound system

£10,000 on Y2 outside area refurb

£200 new scroll of honour badges
